c) **We ensure any data collected is relevant and not excessive**

The Solway Sinfonia will not collect or store more data than the minimum information required for its intended purpose. (For example we need to collect telephone numbers from members in order to be able to contact them about group administration, but data on their marital status or sexuality will not be collected, since it is unnecessary and excessive for the purposes of group administration.

d) **We ensure data is accurate and up-to-date**

The Solway Sinfonia will ask members, volunteers and staff to check and update their data on an annual basis. Any individual will be able to update their data at any point by contacting the Data Protection Officer.

The Solway Sinfonia will ensure that data held by it is kept secure.

g) **Transfer to countries outside the EEA**

The Solway Sinfonia

The Solway Sinfonia will not transfer data to countries outside the European Economic Area (EEA), unless the country has adequate protection for the individual's data privacy rights.

Individual's rights

When the Solway Sinfonia collects, holds and uses an individual's personal data that individual has the following the rights over that data. The Solway Sinfonia will ensure its data processes comply with those rights and will make all reasonable efforts to fulfil requests from an individual in relation to those rights.

- *Right to be informed:* whenever the Solway Sinfonia collects data it will provide a clear and specific privacy statement explaining why it is being collected and how it will be used.
- *Right of access:* individuals can request to see the data the Solway Sinfonia holds on them and confirmation of how it is being used. Requests should be made in writing to the Data Protection Officer and will be complied with free of charge and within one month. Where requests are complex or numerous this may be extended to two months
- *Right to rectification:* individuals can request that their data be updated where it is inaccurate or incomplete. The Solway Sinfonia will request that members, staff and contractors check and update their data on an annual basis. Any requests for data to be updated will be processed within one month.
- *Right to object:* individuals can object to their data being used for a particular purpose. The Solway Sinfonia will always provide a way for an individual to withdraw consent in all marketing communications. Where we receive a request to stop using data we will comply unless we have a lawful reason to use the data for legitimate interests or contractual obligation.
- *Right to erasure:* individuals can request for all data held on them to be deleted. The Solway Sinfonia's data retention policy will ensure data is not held for longer than is reasonably necessary in relation to the purpose it was originally collected. If a request for deletion is made we will comply with the request unless:
 - There is a lawful reason to keep and use the data for legitimate interests or contractual obligation.
 - There is a legal requirement to keep the data.

Right to restrict processing: individuals can request that their personal data be 'restricted' – that is, retained and stored but not processed further (e.g. if they have contested the accuracy of any of their data, the Solway Sinfonia will restrict the data while it is verified).

Though unlikely to apply to the data processed by the Solway Sinfonia, we will also ensure that rights related to portability and automated decision making (including profiling) are complied with where appropriate.

We only share members' data with other members with the subject's prior consent

The Solway Sinfonia

As a membership organisation the Solway Sinfonia encourages communication between members.

To facilitate this:

- Members can request the personal contact data of other members in writing via the Data Protection Officer or Membership Secretary. These details will be given, as long as they are for the purposes of contacting the subject (e.g. an email address, not financial or health data) and the subject has consented to their data being shared with other members in this way

The Solway Sinfonia may collect data from consenting supporters for marketing purposes. This includes contacting them to promote performances, updating them about group news, fundraising and other group activities.

Any time data is collected for this purpose, we will provide:

- A method for users to show their positive and active consent to receive these communications (e.g. a 'tick box')
- A clear and specific explanation of what the data will be used for (e.g. 'Tick this box if you would like the Solway Sinfonia to send you email updates with details about our forthcoming events, fundraising activities and opportunities to get involved')

Data collected will only ever be used in the way described and consented to (e.g. we will not use email data in order to market 3rd-party products unless this has been explicitly consented to).

Every marketing communication will contain a method through which a recipient can withdraw their consent (e.g. an 'unsubscribe' link in an email). Opt-out requests such as this will be processed within 14 days.

Data retention policy

Introduction

This policy sets out how the Solway Sinfonia will approach data retention and establishes processes to ensure we do not hold data for longer than is necessary.

It forms part of the Solway Sinfonia's Data Protection Policy.

Roles and responsibilities

The Solway Sinfonia is the Data Controller and will determine what data is collected, retained and how it is used. The Data Protection Officer for the Solway Sinfonia is David Howdle. They, together with the trustees/committee are responsible for the secure and fair retention and use of data by the Solway Sinfonia. Any questions relating to data retention or use of data should be directed to the Data Protection Officer.

A regular review of all data will take place to establish if the Solway Sinfonia still has good reason to keep and use the data held at the time of the review.

As a general rule a data review will be held every 2 years and no more than 27 calendar months after the last review. The first review took place on 23 April 2018.

Data to be reviewed

- The Solway Sinfonia stores data on digital documents (e.g. spreadsheets) stored on personal devices held by committee members.
- Data stored on third party online services [(e.g. Google Drive, Mail Chimp)]
- Physical data stored at the homes of committee members

Who the review will be conducted by

The review will be conducted by the Data Protection Officer with other committee members to be decided on at the time of the review.

How data will be deleted

- Physical data will be destroyed safely and securely, including shredding.
- All reasonable and practical efforts will be made to remove data stored digitally.
 - Priority will be given to any instances where data is stored in active lists (e.g. where it could be used) and to sensitive data.
 - Where deleting the data would mean deleting other data that we have a valid lawful reason to keep (e.g. in old emails) then the data may be retained safely and securely but not used.

The Solway Sinfonia

The following criteria will be used to make a decision about what data to keep and what to delete.

Does the original reason for having the data still apply?	Continue to use	Delete or remove data
Is the data being used for its original intention?	Continue to use	Either delete/remove or record lawful basis for use and get consent if necessary
Is there a statutory requirement to keep the data?	Keep the data at least until the statutory minimum no longer applies	Delete or remove the data unless we have reason to keep the data under other criteria.
Is the data accurate?	Continue to use	Ask the subject to confirm/update details
